**ZAMBIA—MINI BIBLE SCHOOL**

## Mini-Bible school in Zambia

Dear Friends

Three days travel finally got brother Dan Baugh from Lake Jackson Texas, Lucinda Pretorius, from our sending church, and myself, to Mpika.

Our dream of a mini-bible school was about to begin. The wonderful thing is that it's only the beginning. Next year we plan to have two mini-bible schools in different venues. This means that twice next year we will have mini bible schools in 4 different venues.

More news on this later.

We ended up with 27 church leaders and 9 Sunday School teachers. Not everybody came, but nevertheless, we had a great time.

### Pastoral Leaders in training

What a joy to see these at work in some of the leader's ministry in the swamp areas during our recent visit there.

## Training tools

We kicked off the **Train & Multiply**, taught the abridged version of **Firm Foundations** (a Chronological approach to Bible Training which tells the Bible as one story, starting in Genesis and ending in the NT).

Dan Baugh ploughed through nine days of Chronological Teaching which highly blessed our leaders. They began to see things in scripture they had never seen or heard before, saw the Scarlet Thread throughout the O.T. culminating in the birth life, death and Resurrection of our Lord Jesus Christ. We also taught the

**Heart of Man Chart**

and the

**Evange-cube**

as evangelism tools.

## Follow up....churches planted Sunday School Training Prayer Points

Henry and Chalie will be following up now in August/Sept to continue with the implementation of the Train & Multiply material in the swamps area.

The Bwalya Mpondo church has planted a new church at Kasuma Lunga Island, which means we have 3 Island churches and 2 on the edge of the swamp.

The work is slowly expanding.. I will be in the area at the end of September as well (by God's grace) to follow up at Kasuma Lunga.

We also want to thank Lucinda Pretorius who was temporarily with us for doing the Sunday School Training.

Lucinda however was called back to the local church.

We thank God for her time with us and trust the Lord to continue guiding her in her ministry.

- The Leaders to use the material taught and to keep studying it to become better teachers of God's Word.
- Henry's outreach in late August, early September.
- My trip up on the 25th Sept—10 Oct to follow up on the Islands.
